

GREAT WESTERN

Great Western, located on the far skiers right of the resort, offers our highest lift accessed elevation. Home to spectacular views of the entire resort, Great Western offers great intermediate and advanced skiing.

SNAKE CREEK

Snake Creek offers amazing views of the Heber Valley which is a great opportunity for a family photo. Snake has some of the best tree skiing at the resort from beginner all the way to advanced terrain.

CREST EXPRESS

Take a few laps on Crest Express and check out our five world class terrain parks. Cruise through My-O-My and catch some air time on our jumps, then hit some jibs in Candyland or Krista's. Beginner to advanced riding.

MILLY EXPRESS

Mt. Millicent offers a variety of advanced terrain to cater to the most adventurous of riders! From open bowls to steep groomers, the terrain on Milly makes it a natural playground for skiing and riding.

BACKCOUNTRY ACCESS WARNING
When you pass beyond this ski area boundary, you leave the area ski patrol services including avalanche control. You are entering an area which has many natural hazards, including avalanches. You are responsible for educating yourself about how to avoid these natural hazards. Upon leaving resort boundaries you are responsible for your own rescue, the cost of your rescue and you waive all claims for injury.

YOU ARE RESPONSIBLE!

- 1.) Stay in control.
- 2.) Downhill skiers have the right of way.
- 3.) Stop in a safe place for you and others.
- 4.) Know how to properly and safely use the lifts.
- 5.) When starting downhill or merging, yield to uphill traffic.
- 6.) Use devices to help runaway equipment.
- 7.) Observe signs and warnings. Stay off closed trails.
