

THOMPSON OKANAGAN VALLEY "BC SKI COUNTRY"

WELCOME TO BC SKI COUNTRY

The sun-drenched and snow-covered Thompson Okanagan region in central BC boasts four world-class downhill ski and snowboard resorts, plus four other superb resorts, offering fabulous helicopter skiing, cross-country trails and seemingly endless snowmobile terrain waiting to be explored.

Big White Ski Resort is a modern alpine village offering the ultimate mountain experience. Consistently voted one of the top ski resorts in the world, Big White is still relatively undiscovered. The resort offers world-class restaurants and full ski-in, ski-out access, but still at an affordable price. Big White's unhurried, unpretentious and friendly ambiance will make your stay on the mountain unforgettable.

Silver Star Mountain You can easily fall in love with Silver Star's fairytale village. Inspired by a typical nineteenth century British Columbian mining town era with Victorian architecture, this town is a true winter wonderland. Brightly coloured store fronts and boarded sidewalks provide a unique ambiance that radiates fun, enthusiasm and excitement for the whole family. Guests are attracted to the warmth and safety of the town where service and friendliness are as honoured as the values of a time gone by.

Sun Peaks Resort has more vertical drop than any other resort in the interior BC. From powder-filled bowls to perfectly groomed cruisers and exhilarating tree skiing, this ski-in, ski-out resort has something for everyone. The charming award winning alpine village at the base of three mountains gives you access to chairlifts, hotels, eateries, shopping, snow school, the spa and a variety of activities.
